

Taoist Light Healer Training Program

ancient wisdom applied in modern times!

One year program starting on Sept. 8, 2021

Prospective trainees:

1. Have taken Taoist Light Qigong Level I training, and are committed to daily practice for self-healing and participate in weekly or bi-weekly group practice sessions.
2. Have the potential or already have their third/wisdom eyes open to read energy.
3. Have experienced the flow of selflessness and have the sense and fulfillment to be in service for others.

During this 178 hour group training, you will learn:

1. The purpose of becoming a Taoist Light Healer, the mysterious work of Qi.
2. To use the third eye to read Qi, the energy colors, images, and blockages.
3. The Qi State is the most effortless way of healing for others.
4. Self-protection and immediate recovery from working with others.
5. The Energy causes and healing methods for physical, emotional, mental, and spiritual health conditions. Food healing, herbal therapy & soul work.
6. Essential Fengshui principles to maximize health – the space you live in can affect your health and well-being.
7. To clean up ties to negative relationships and rebuild healthy connections.

8. The Taoist key password to connect to healing sources in the universe.
9. To utilize Dreams as healing from spiritual guidance.
10. Healing process on life-death transition.

Upon the completion of training:

1. You will be certified as a Taoist Light Qigong Healer once you pass all the qualifications.
2. You will be confident to help others to heal effectively with non-contact Qi transmission.
3. You will have the ability to read energy or perform healing in person or remotely.

Curriculum for Taoist Light (TL) Qigong Healer Training

Training consists of:

- 50 weekly training sessions. Each session is 2 hours long, to be held on every Wednesday starting on Sept. 8th, 2021. 3- 5pm.
- 52 guided group Qigong practice and group healing sessions. Each session is 1.5 hours long. Thursdays or Sundays 10-11:30AM.

We may take one month break in summer and winter holidays such as Christmas etc. so the training may take 12- 13 months.

Students need to complete the 100 hours of group training (weekly) and minimum of 26 group practice (bi-weekly) and pass all three tests (for each module) to graduate. **

**** Note:**

- *If a student falls behind in the course work, the student will need to schedule an intensive private healing session to catch up. These fees are not included in the tuition.*
- *If a student is absent from a training session, the student will need to set up a private session to make up. These fees are not included in the tuition.*

About Chiyan Wang, Training Master

Chiyan Wang is the Taoist Light Qigong lineage holder and grew up in a family healing tradition with both of her parents masters in healing arts. In the Qigong healing retreat in the mountains where her parents worked, Chiyan has witnessed nothing but miraculous healing.

By the age of sixteen, Chiyan was already giving healing to others, and has helped thousands of people to recover from cancer, autism, chronic diseases, and depression. People have reported that from one session, a cyst was removed or movement was recovered after a stroke. Most of all, Taoist Light Qigong healers and those who have received Taoist Light Qigong Healing are becoming a much more wholesome and authentic being living in peace, joy, and health and in harmony with nature and others. Now Chiyan is mainly focussed on training other healers and sharing Taoist healing light.

Chiyan believes that we all have the ultimate responsibility and inner power for the state of our health and well-being. She believes we can heal ourselves and others with the higher energy within us and become aware of and tap into our true spiritual potential.
